Action required by April 30, 2020. You are not enrolled in Marketplace coverage.
Submit required documents now.

Application Date: March 31, 2020
Application ID: 3493028903

Dear Lilias:

You reported on your Marketplace application that you lost or will lose qualifying health coverage. This loss of coverage means you and others in your household may qualify to enroll in Marketplace coverage through a Special Enrollment Period.

Now that you've chosen a plan, you can start using your health coverage after you submit documents and we confirm you're eligible to enroll through a Special Enrollment Period. The sooner you submit documents, the sooner your coverage can become active. **Your deadline to submit documents is April 30, 2020.**

What should I do next?

1. Review the list of documents that can be used to confirm your eligibility, shown in the next section. Either upload or mail copies (not originals) of the documents we need. You may need to send more than one document to resolve an issue, so read the list carefully.
2. Upload or mail a copy of the document(s) by April 30, 2020. **Uploading is the fastest way to get the documents processed.**
 - Upload a copy of the document to your Marketplace account on HealthCare.gov.
 - Log into your Marketplace account, and select "Start a new application or update an existing one."
 - Click on your name in the top right of the screen, and select "My applications & coverage" from the drop-down menu.

- Then, under "Your existing applications," select your current application and click on "Application details."
- You'll see section called "Send proof for your Special Enrollment Period," where you can upload documents to verify your eligibility. Note: Please don't use these characters in the name of the file that you upload: \ | : * ? " < > | .
- Or, mail copies of the documents to this address:
Health Insurance Marketplace
Attn: Supporting Documentation
465 Industrial Blvd.
London, KY 40750-0001

Include a copy of the front page of this letter and your full name and "**Application ID 3493028903**" on the top of each page. Don't send original documents.

3. Watch for a notice with the results of our review. This notice will be available in your Marketplace account on HealthCare.gov.
4. **Pay your premium after your eligibility is confirmed.** We'll send you another notice when it's time to take this step.

Remember that you can't start using your coverage until we review your documents and confirm your information.

What documents can I send?

Lilias Pettit-Scott, James Cochran: At least one person listed here needs to upload or mail documents to confirm that your loss of coverage happened 60 days before or after you applied for new Marketplace coverage. Your documents should include the name of the person on your application who lost or will lose coverage, and the date of the last day of coverage under the plan. You have 30 days from the date you choose your plan to submit documents.

Examples of documents you may submit include a letter, a notice, or a bill:

- **From your insurance company**, like a letter stating the date that your health coverage ended or will end, or a bill showing the date that your coverage ended or will end.
- **From an employer**, like a letter stating the date that coverage from an employer ended or will end. This letter can be about coverage that you had, or that you had through a family member.
- **About COBRA coverage**, like a letter from a former employer or health insurance company showing an offer of COBRA coverage, or stating the date that your COBRA coverage ended or will end, or stating the date that the employer stopped or will stop contributing to the cost of COBRA.
- **About other health care programs**, like a letter or notice from a government health program stating the date that coverage ended or will end. This letter might come from programs like Medicaid, the Children's Health Insurance Program (CHIP), TRICARE, Veterans Affairs (VA), Peace Corp, or Medicare.
